REJECTION UNDER 35 U.S.C. § 112

Claims 1-57 and 59 stand rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point and distinctly claim the subject matter which Applicant regards as the invention. This rejection is respectfully traversed.

Claim 1 has been amended to address the concerns raised by the Examiner. Claims 4, 10 and 11 have also been amended to address similar concerns. Applicant submits that these amendments are minor in nature and do not raise any new issues for consideration by the Examiner. Therefore, Applicant requests that these amendments be entered at this time and the rejections be withdrawn.

Applicant therefore respectfully requests that the Examiner reconsider and withdraw all presently outstanding rejections. It is believed that a full and complete response has been made to the outstanding Office Action and the present application is in condition for allowance.
